There will be an adjourned regular meeting of Granite City camp No. 3880, M. W. of A., Wednesday, May 26, at 7:30 p. m. The Mission circle of the Universalist church will meet in the church parlors Friday afternoon at 2:30 o'clock. Watch word, "Christianity." The Frank McWhorter Co. is showing the new couch hammocks. See them in their window. Also a full line of hammocks from \$1.50 to \$7.50. A meeting of the Bon-accord foot ball club will be held in the Rangers pavilion at seven o'clock to-night, sharp. Per order, W. Brodie, president. Bailey's Music Rooms will open up a sale of pianos for two weeks commencing May 29. Call early and get first choice. 14 Elm street, Barre. For sale: house and lot at 19 Hubbard street, Montpelier; house has 5 rooms in first class repair; price \$3,500 cash, for quick sale; no exchange of property. Apply at once on premises. Notice: There will be a special business meeting of the First Baptist church to-night (Wednesday) at 7:30, called by the finance committee. This is important and the members are urged to be present. The Rev. G. C. Lamson, formerly pastor of the Baptist church at Montpelier, has received a call from the Second Baptist church of Fall River, Mass. He has been pastor at the First Baptist church of Hyde Park, Mass., for three years and seven months. He has not decided whether to accept the Fall River call. Mr. and Mrs. H. C. Young of Elmore street enjoyed a delightful surprise last evening, given to them by their friends, it being the occasion of their fourth wedding anniversary. Miss Pratt, Mrs. Young's sister, who is here from Japan for a short time, showed a large number of beautiful Japanese curios, and with music and conversation a pleasant evening was passed. Cornelius Reagan of Websterville, who has been at the City hospital for a week past, was taken violently crazy last evening and assistance was called from the police department to care for the man. Deputy Sheriff George L. Morris stayed with the man all night. A brother who resides in New York City has been notified and is expected to arrive here to-night. Owing to financial depression in the Goddard base ball treasury, the game of ball with the second team of the Universalist of Vermont next Friday has been canceled, but the manager is after a game with St. Michael's college for Memorial day morning at Inter-city park, in the hope that the depleted treasury will be bolstered up. St. Michael's and Goddard played a tie game, 2 to 2, last Saturday. The variety of pictures at the Bijou to-day makes it one of the most interesting programs ever witnessed there. "The Bohemian Girl" is without doubt the most beautiful hand colored dramatic picture ever presented. "Hunting the Hippopotamus on the Nile" is an educational picture of much interest, while "Purs and Feathers" and "The Doctor's Dinner Pail" are comedies which make you forget your troubles. The earliest risers this morning saw the ground covered with a white frost and, in places about the city, plants that had been left out of doors were frozen. At a place on Camp street plants that had been covered up were found wilted down flat. There was a very heavy dew last evening, which helped to keep off a heavier frost. Icicles were hanging from the eaves of houses where the dew had wet the roofs and run off. More new pictures to-day at the Bijou. These have been shown but a very few times before coming here. A picture drama of the great Florida war, most intensely interesting and very instructive, is on. Another shows King Edward VII. and Wilbur Wright and his new airplane. These two pictures cost a large sum of money to produce and are authentic. One other comic film and a military song, "Nora Lee," complete an excellent program. Wilbur Wright and his airplane is the feature at the Theatrum to-day. To begin with, here you have shown by demonstration what the much talked of and written about airplane is and does. It is the invention of an American man, having been worked out by two young men from Ohio who have just returned to this country laden with the spoils of many air flying competitions in Europe. The photographer has neglected no opportunity of showing the variety of action and the wonderful dexterity of the airplane. Needless to say that the motion picture audiences follow this remarkable series of pictures, for such they are, with breathless interest. At one point Mr. Wright and the airplane are seen at a height of 700 feet from earth, where he was obliged to remain for two hours in order to win a certain prize, which he accomplished.

## ALRIGHT MERCHANDISE

Merchandise that is new, merchandise that is in style and merchandise that is priced just as low as we can price it and come out whole. We do not look for large margins, neither do we ask it. We are trying all the while to buy a little better so that we can sell a little better, and these prices will show the best goods at very low prices.

### Muslin Skirts

These Skirts come in sizes for both children and ladies and at lower prices than we have ever owned them.

We made a purchase about four weeks ago of Hamburg-trimmed Ladies Skirts. These Skirts come with 13-inch tucked flounces made of five-inch dust ruffle with Hamburg edges eight inches wide. We would consider these Skirts cheap at \$1.75. We have sold similar Skirts in a sale at 90c, but never for less. Now we have a window of these Skirts at only \$1.50 each for this week.

We have good values in better Skirts at a little more in price. Children's Lace-trimmed Skirts with lace insertion now at 25c each.

### Children's Hats

We carry a Silk-lined Skull Cap for boys or girls in white and all staple colors at 25c each.

Children's Patent Hats in black with ribbon bands in all sizes at 50c. One of our best values.

Children's Hats with Patent Crown and colored corded brim at 50c.

Children's Straw Hats made well ribbon bands of different colors at 50c.

Children's Wash Hats with detachable bands for 45c each.

We are agents for the Babies' Elite Patent Muslin and Silk Caps that wash like a handkerchief.

### Corsets.

Warm weather brings Corset customers and they want Corsets that are right, and as we have watched the trade on these lines for years, we think that we can recommend the following kinds.

The rule that we work on is that a slim hipless lady enjoys an R. & G. Corset more than any one other make, and now that all figures are of the hipless form it is well to say that now is the R. & G. Corset's day. They have the form and they are the correct style, and being steam molded they stay there.

Royal Worcester Corsets are for larger ladies, those with larger hips, those that want more hip room and a little more stock Corset.

It would be well to see our soiled White Silk Waists at \$1.50 and our marked down Ladies' Suits.
